

FALLOUT THREAT

Fallout is the biggest threat to the survival of the nation if enemy attack occurs. Community shelters offer the best insurance to have human life, the California Disaster Office reports.

FREE INFORMATION

Information that will help your family to survive nuclear attacks will be sent to you free by your local Civil Defense Office or the California Disaster Office, Post Office Box 110, Sacramento.

FALLOUT DANGEROUS

Radioactive fallout is extremely dangerous during the first few hours after a nuclear blast, the California Disaster Office reports. Shelters are the best way to insure survival.

STAR CUTS RIBBON—Cindy Robbins, popular TV actress and star of the "Tom Ewell Show," cuts the opening day ribbon at the Del Amo International House of Pancakes. Located at the corner of Hawthorne and Carson, the restaurant opened last Monday.

Helping the blonde Miss Robbins cut the ribbon is Leon Gottlieb, general manager of the restaurant. New showplace of the community will feature breakfast of steak, ham and chicken dinners.

Open Office for Area Heart Drive

Residents of Inglewood, Torrance, Redondo Beach and the South Bay communities preparing for the 1961 Heart Fund drive against heart disease, will have their headquarters in Inglewood, announced Andrew W. Rose, Los Angeles County Heart campaign chairman.

Heart office space was donated by Allen K. Jones, Realtors and is located at 124 South Locust Ave.

FEBRUARY KICKOFF—Annual Heart Fund campaign will be conducted in

February, with kickoff collections during "Business-Invests-In-Heart-Days," February 1-10 and the eighth annual residential drive on Heart Sunday Weekend, February 23-26.

Alberto Meneses has been appointed regional coordinator. Meneses, for twenty-five years an attorney in the Republic of Cuba, represented American business firms.

Chairman Rose pointed out that Heart Fund dollars support heart research and community programs of educa-

tion throughout the year. "During the past twelve years and right now," Rose said, "cardiovascular research has been responsible for great progress in saving damaged hearts and protecting healthy ones."

Helping to reduce campaign costs, Abbey Rents of Inglewood, has provided office chairs for the Heart volunteers.

Residents interested in volunteering their time in the conquest of heart disease, are invited to call the Heart regional office at ORegon 8-9907.

KEEP SUPPLY OF FOOD

Families beyond the three mile radius of a nuclear strike could survive the attack if they were prepared to take cover in a fallout shelter stocked with a two-week supply of food and water, according to the California Disaster Office.

COLORS ATTRACT KIDS

Due to attractive odors, colors and containers, small children are apt to drink household liquid detergents, says the Greater Los Angeles Chapter National Safety Council. Such items should be kept out of the reach of small hands or in locked cupboards.

Two New Fire Stations Urged

The National Board of Fire Underwriters this week recommended two new fire stations be built in Torrance.

Board told Chief J. J. Benner that if Hawthorne Blvd. is to be developed into another Miracle Mile, as indicated by city planning the two additional stations will be required.

Agency recommended one new station near Hawthorne

and Sepulveda and another near Hawthorne and Del Amo Blvd. Benner recommended.

TAKE COVER QUICKLY—The first consideration of everyone in a nuclear attack should be to take cover, says the California Disaster Office. Even if you are a great distance from a bomb blast, you will probably need fallout protection.
